The UK's Development Finance Specialists

In the current economic climate the challenge for many builders and property developers is to secure development and refurbishment finance from reliable funding partners at rates and terms which make the project viable.

We possess significant experience in funding all types of property projects throughout the UK and we are widely acknowledged as one of the UK's property development finance specialists offering a whole of market proposition.

We have direct access to funds through a number of private finance syndicates in which we participate and we also work closely with over 30 specialist funding partners. We support all types and sizes of projects covering funding requirements from £50K up to £50 million.

Flexible, Structured Development Loans from £50K - £50M

- ▶ We source both senior debt and mezzanine facilities up to 90% of the project funding requirement.
- ▶ 100% project finance where additional security is available.
- ▶ We facilitate joint venture / profit share commercial contracts.
- ▶ Finance available for all residential property types throughout the UK.
- ▶ Short-term bridging finance available from £10k to £25 million and 1 day to 24 months for commercial and residential property/land purchase, auction sales and 'unmortgageable' properties.
- ▶ Smaller refurbishment projects supported from £25k upwards.
- ▶ Commercial projects supported including hotel developments and student blocks.
- ▶ Support for established developers and investors using a recognised building contractor.
- ▶ Self-build loans available for single unit developments.

Competitive Lending Rates and Terms

We offer finance from all segments of the market and our fees are highly competitive. Every proposition we deliver is wholly transparent with all fees and charges fully disclosed. Our services are provided on a success-based basis with no upfront fees charged.

Uncomplicated Free Consultation

We offer free and impartial advice on the most cost-effective way to secure financial support for your project, whether it is a site already owned or a project you are considering. We can even visit you on site to discuss the project, we offer planning support and facilitate valuations and project insurances for our clients.

Pension Funds Release

For clients with money locked into either a personal or company pension fund we offer an innovative and wholly legitimate way to release these funds for your own business use. Many developer clients are using this route to effectively self-fund or part-fund their own development projects, please call us for more details.
